

How to Use This eCourse

Thank You!

Thanks for downloading this eCourse! It is based on a popular workshop delivered to a few thousand church leaders. Based on the very positive reviews and feedback received, we wanted to make it possible for as many church leaders as possible to benefit from the insights and practical application shared.

Just So You Know.

Each folder contains a video and a downloadable PDF with key ideas and observations. Feel free to view this individually or as a group. At a minimum, we would encourage you to make this available to your staff, generosity team, finance committee, and even financial leaders.

Let's Do This. Together.

No one should do ministry alone. Horizons has worked with thousands of church ministry leaders for more than two decades to raise billions of dollars to fund Kingdom impact. It's an honor and privilege to serve you, and we can't wait to share this new resource with you and your team.

We are standing with you and praying for you as you lead forward into 2021!

Blessings,

Joe Park
